Professional Skills

HTML, SCSS, Javascript	React, Redux, Redux Toolkit	React Router Dom, React API context
Bootstrap, Reactstrap	Typescript, REST API, Axios	English (A2)

Work experience

VinDevs

10/2021 - present

I work as a front-end developer. I have very good skills with HTML, CSS, JavaScript and React. Worked with the layout of sites from scratch. I work with the React and Redux library, directly using them in my work. Also familiar with Redux toolkit and Typescript library

Education

Vasyl Stus Donetsk National University

2018 - 2022

At the Faculty of Mathematics and Information Technologies

About

Interests

Football, Basketball, Movies, Chess, Video Games, Reading Books, Youtube, Photography, Music. Learning some new in the life.
